

# 2021 COMMUNITY IMPACT TIMBERLINE ADULT DAY PROGRAM

Our mission is to be a leader providing adult day programs and caregiver respite care in our community.

Our vision is for Timberline to be an integral, sustaining member of a healthy community.

## Who do we serve?

Timberline serves adults with intellectual, developmental and physical disabilities. Our program benefits both the individual and the caregiver. We focus on person-centered care, so the entire family unit can function more effectively

Average of 60 people served per month

Total number of respite hours provided > 7500

20 total families served

## COVID-19 Relief Measures

Meals-on-wheels delivery

1:1 in-person respite

Virtual socialization activities

"Libby looks forward to attending the program. She is happy, engaged, feels loved and appreciated, and is connecting with her peers in a way I have not seen before. Having Timberline enables me to work and feel 100% confident not only that Libby's spirit is being nurtured but also that she is safe and healthy while attending."

-Leslie Blum, Caregiver
